Launched in 2016, FX is a magnificent Mulder Design yacht, identifiable by her striking colour-changing metallic hull.

The yacht boasts a modern chic design, 3 dining areas, 2 large external decks and a spacious fly-bridge with jacuzzi, surrounded by sun pads where guests are able to soak up the sun, dance or relax with sundowners. There is an expansive main salon with huge windows optimising natural light and offering spectacular views of the ocean. Up to 10 guests are accommodated below deck in 4 deluxe suites with a grand, full-beam owner's stateroom, located on the main deck.

FX carries a large selection of water sport toys accessible from an extended swim platform, with stainless steel railings fitted for extra safety. The yacht carries a compliment of six crew, all highly experienced, ensuring that guests have a unique and unforgettable experience whilst on board FX.
